

Bewdley Bridge Diversions & Temporary Shuttle Bus

From 19th October for approx 18 Months

From 19th October the next phase of Bewdley Bridge & flood alleviation works will commence, this is expected to take approx 18months to complete. Bewdley Bridge will be subject to one-way traffic during this time.

During this period Bewdley services will be diverted and a revised Temporary Shuttle service will be implemented:

Bewdley Temporary Shuttle – will operate between Hop Pole / Cleobury Road/ Hales Park / Bark Hill / Load Street only.

302 Service – Will divert as follows: Service will operate Catchems End, then Load Street, Cleobury Road, Hop Pole Inn, Bewdley Bypass, Safari Park Island and then resume normal line of route.

8 Service – Will divert as follows: Normal line of route between Rifle Range and Hales Park and Bark Hill. Service will then loop around the back of Bewdley using Cleobury Road, Hop Pole, Bewdley Bypass, Safari Park Island, Catchems End then resume normal line of route.

125 Service – Will divert as follows: Normal line of route from Stourbridge-Kidderminster-Bewdley-Bridgnorth. The return journey will operate as normal line of route until Dog Lane Bewdley, then will divert via the Bypass, resuming normal line of route at Safari Park Island.

292 Service – Will divert as follows: Normal line of route between Kidderminster and Ludlow. The return journey will operate as normal line of route until the Running Horse Inn, Long Bank, then will divert via the Bypass, resuming normal line of route at Safari Park Island.

296 Service – Will divert as follows: Normal line of route into Bewdley from Worcester. Passengers should board the service at the bus stop opposite Tesco, as the return journey will operate via Cleobury Road and the Bypass to resume normal line of route at Stourport Road Island. The 15:35 departure will not serve Load Street and will terminate/start service at Bewdley School only.
