

CHANGES TO SURREY FARES

FROM 10th JANUARY 2022

There will be changes to fares in the Surrey area from 10th January.

2020 and 2021 have been a challenging time for the Diamond Bus business. Diamond South East (formerly Hallmark Bus) Fares have remained frozen since 2017 but with increasing operating costs and reduced patronage, some fares will reluctantly be increased to ensure the commercial viability of our services.

Whilst our local Singles, Returns and service specific fares will increase, we will once again freeze our Surrey Network period pass products and are even reducing our Surrey Network Day products to bring inline with Acorn ticket prices.

Ticket Changes			
Singles & Returns will increase by 5% in line with the national customer price index			▲
Variable weekly fares on services 458, 461, 557, 814 will increase by 5% in line with the national customer price index			▲
Special 557 onbus Monthly fares will remain frozen			✳
National Concessionary Pass Holders: Pre-09:30 free travel for Concessionary Pass Holders will end on 10th January. A discounted rate of £1.00 per journey will be available for Concessionary Pass Holders who wish to travel pre-09:30
