

WEST MIDLANDS REGION TICKET & FARES CHANGES

There will be changes to the types of tickets available in the West Midlands from 3rd July, when we will be simplifying the range of tickets available.

Diamond Bus West Midlands single operator tickets will be replaced by nBus Multi-Operator tickets, which will be valid on all participating operators across the West Midlands region.

This means that you can now use one ticket on any bus, any day, any time.

Selected Regional nBus tickets will also be available to buy on the Diamond Bus app. A wide range of nBus ticket options are also available on Swift SmartCards, visit www.tfwm.org.uk for more information.
