

Changes to 245 service number and timetable.

Diamond Bus will commence operation of the 245 School service contract from 13th May on behalf of Derbyshire County Council. Some changes will be made to incorporate this into our existing Pingle Academy School services.

The 821 / 21 journeys into the school will continue as currently operated. The 245 service will be renumbered to our existing 822 service. We will continue to operate the morning 822 journey as currently, but will additionally operate the afternoon journey, as per the timetable below.

Derbyshire County Council (DCC) plan to move some current 245 allocated students to the 821 service to assist with passenger capacity. DCC will inform parents of any allocation changes. Diamond Bus fares and passes will be valid on all Pingle Academy School Services. DCC issued scholars passes will be valid where indicated on their pass.
